

Chatsworth High School and Community College

Personal Development, Behaviour and Welfare Committee

SUMMER TERM 2019

Chair: Janet Pardoe

Date: 11th June 2019

AGREED ACTIONS:

- To put the staff survey on the agenda at the next PDBW Sub-Committee meeting
- To elect a Chair and Vice Chair for the PDBW Sub-Committee

MONITORING:

- RPIs in March were higher; believe this is due to end of term student fatigue
- Behaviour numbers are looking high because of the way they are currently being recorded.
- Expected numbers to be high in June due to transition

HEADLINES FOR FULL GOVERNORS:

- Staff wellbeing survey completed by 49 members of staff
- Overall positive experience
- Two areas to develop based on the survey
- On the whole staff feel supported by each other and the SLT
- Drive needed to link governor visits and to School Development Plan
