

RISK ASSESSMENT FOR SCHOOL RE-OPENING

CHECKS AND BALANCES: RESPONDING TO COVID-19

Staying COVID Secure – Our Commitment

- ✓ We recognise the risk posed by Coronavirus (COVID-19) to our staff, pupils and their families. Control measures to minimise the risk of infection and the transmission of the virus are provided in this Risk Assessment.
- ✓ We will put in place appropriate protective measures to ensure, as far as is reasonably practicable, the Health, Safety and Wellbeing of our staff and pupils.
- ✓ We will share this Risk Assessment and its findings with employees and consult on its contents.
- ✓ We will continue to comply with all relevant Health and Safety Legislation.
- ✓ We will have regard to statutory guidance in particular the guidance issued by the Department of Education regarding school reopening and implementing protective measures in education and childcare settings against COVID-19.
- ✓ We have regard to advice and guidance issued by Public Health England.
- ✓ This risk assessment has been completed using Salford Local Authority's template for supporting school leaders.

COVID-19: Operational risk assessment for school reopening

1. Establishing a systematic process of partial opening, including social distancing					
1.1 Net capacity					
Available capacity of the school is reduced when social distancing guidelines are applied	Red	<ul style="list-style-type: none"> Agreed number of pupils who can attend the premises on any given day to enable compliance with social distancing rules. Agreed new timetable and arrangements confirmed for each class group. Arrangements in place to support pupils when not at school with remote learning at home and regular welfare checks. 	Y	<ol style="list-style-type: none"> Autumn Term cohort plan is being developed. Finalised by early July 2020 Time limited measures in place reviewed in Sept. 2020 	Green
1.2 Organisation of teaching spaces					
Classroom sizes will not allow adequate social distancing	Red	<ul style="list-style-type: none"> Classroom size and numbers reviewed. Class sizes and timetables/staffing amended allowing for reduced numbers Classrooms re-modelled, with chairs and desks in place to allow for social distancing. Spare chairs removed from desks so they cannot be used. Clear signage displayed in classrooms promoting social distancing. Classes stay together with their teacher and do not mix with other pupils. 	Y	<ul style="list-style-type: none"> Pupils will not be able to socially distance therefore further measures are in place Maximum numbers two pupils per room Magnets / locks fitted to quad doors? 	Green
Large spaces need to be used as classrooms	Green	<ul style="list-style-type: none"> Limits set for large spaces (e.g. hall, sports hall, dining hall) for teaching. Large gatherings prohibited. Design layout and arrangements in place to enable social distancing Maximise use of external areas where practicable . 	Y	<ol style="list-style-type: none"> Hall will only be used for 1:1 PE activities according to timetable 	Green
1.3 Availability of staff and class sizes					
The number of staff who are available is lower than that required to teach classes in school and operate effective home learning	Yellow	<ul style="list-style-type: none"> The health status and availability of every member of staff is known and is regularly updated so that deployment can be planned. Full use is made of those staff who are self-isolating or shielding but who are well enough to teach lessons online. Flexible and responsive use of teaching assistants and pastoral staff to supervise classes is in place. Full use is made of testing to inform staff deployment. A blended model of home learning and attendance at school is utilised until staffing levels improve. 	Y	<ol style="list-style-type: none"> Weekly information is compiled of staff availability and shared amongst SLT Current figures show school can operate 	Green

Commented [A1]: 1.2 - need signage and furniture removal

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating (H/M/L)
1.4 Prioritising provision					
The continued prioritisation of vulnerable pupils and the children of critical workers will create 'artificial groups' within schools when they reopen		<ul style="list-style-type: none"> Plans are in place to meet the learning needs of the children who are outside of the main cohorts attending school. Pastoral and SEND support is deployed wherever possible to support prioritised pupils. Efforts continue to improve the attendance of vulnerable pupils and those from disadvantaged backgrounds. A plan is in place for the phasing in of the other cohorts. 	Y	1. Current programme for vulnerable pupils will continue – capacity is being built into Autumn Term model	
1.5 The school day					
The start and end of the school day create risks of breaching social distancing guidelines		<ul style="list-style-type: none"> Start and departure times are staggered. The number of entrances and exits to be used is maximised. Different entrances/exits are used for different groups. Staff, parents and pupils are briefed and signage provided to identify which entrances, exits and circulation routes to use. A plan is in place for managing the movement of people on arrival to avoid groups of people congregating. Floor markings are visible where it is necessary to manage any queuing. Attendance patterns have been optimised to ensure maximum safety. 	Y	1. A two part school day has been designed	
1.6 Planning movement around the school					
Movement around the school risks breaching social distancing guidelines		<ul style="list-style-type: none"> Circulation plans have been reviewed and revised. One-way systems are in place where possible. Corridors are divided where feasible. Appropriate signage is in place to clarify circulation routes. Pinch points and bottle necks are identified and managed accordingly. Movement of pupils around school is minimised as much as possible, with pupils staying in classrooms and staff moving round. Lesson change overs are staggered to avoid overcrowding. Pupils are regularly briefed regarding observing social distancing guidance. Appropriate duty rota and levels of supervision are in place. 	Y	1. The school is adopting a 'primary model' throughout the Autumn Term to minimise movement and contacts	

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating (H/M/L)
1.7 Curriculum organisation					
Pupils will have fallen behind in their learning during school closures and achievement gaps will have widened		<ul style="list-style-type: none"> Gaps in learning are assessed and addressed in teachers' planning. Home and remote learning is continuing and is calibrated to complement in-school learning and address gaps identified. Award and qualification requirements are covered. Plans for intervention are in place for those pupils who have fallen behind in their learning. 	Y	<ol style="list-style-type: none"> Learning loss is a major factor each Autumn Term for pupils with SLD/PMLD/ASC Robust assessment systems will be in place with base-lining for new pupils 	
1.8 Staff workspaces					
Staff rooms and offices do not allow for observation of social distancing guidelines		<ul style="list-style-type: none"> Staff rooms and offices have been reviewed and appropriate configurations of furniture and workstations have been put in place to allow for social distancing. Staff have been briefed on the use of these rooms, and use is staggered 	Y	<ol style="list-style-type: none"> Staff break times are staggered Business team working hours reviewed Photocopier – rota and minimise use. 	
1.9 Managing the school lifecycle					
Limited progress with the school's summer term calendar and work plan because of COVID-19 measures		<ul style="list-style-type: none"> School calendar for the summer term rationalised. Senior Leadership Team (SLT) and staff work plans to include short- and medium-term planning. Staff recruitment for September 2020 completed. Curriculum and timetable for September 2020 completed. 	Y	<ol style="list-style-type: none"> Planning during March-April ensured that Curr. Dev. continued with pace Recruitment is key strand of Re-opening Plan All areas covered 	
Pupils moving on to the next phase in their education do not feel prepared for the transition		<ul style="list-style-type: none"> A plan is in place for pastoral staff to speak with pupils and their parents about the next stage in their education and resolve any issues. There is regular and effective liaison with the destination institutions (e.g. secondary schools, post-16 providers) to assist with pupils' transition. Regular communications with the parents of incoming pupils are in place, including letters, newsletters and online broadcasts. Virtual tours of the school are available for parents and pupils. Online induction days for pupils and parents are planned. Staggered onsite induction days are planned for small groups 	Y	<ol style="list-style-type: none"> Transition is a key strand of Re-opening Plan Transition plans for Yr 7 and Yr 14 are in place Yr 14 transition programme has started

1.10 Governance and policy					
Members, Trustees and Governors are not fully informed or involved in making key decisions	Yellow	<ul style="list-style-type: none"> Meetings are held online with governors where key decisions need to be made. Trustee Board is involved in key decisions on reopening. Governors are consulted regularly on the key decisions by Trustee Board decisions and briefed on government guidance and its implications for the school. 	Y	1. CoT and CoG have been consulted about means for regular communications	Green
1.11 Policy review					
Existing policies on safeguarding, health and safety, fire evacuation, medical, behaviour, attendance and other policies are no longer fit for purpose in the current circumstances	Red	<ul style="list-style-type: none"> All relevant policies have been revised to take account of government guidance on social distancing and COVID-19 and its implications for the school. Staff, pupils, parents and governors have been briefed accordingly. 	N	1. A significant amount of work is needed here as the focus has been on practicalities and practice	Yellow
1.12 Communication strategy					
Key stakeholders are not fully informed about changes to policies and procedures due to COVID-19, resulting in risks to health	Yellow	<ul style="list-style-type: none"> Communications strategies for the following groups are in place: <ul style="list-style-type: none"> Staff Pupils Parents Governors/Trustees Local authority Regional Schools Commissioner Professional associations Other partners 	Y	<ol style="list-style-type: none"> Communication is a key strand of the Re-opening Plan Regular communication between all parties 	Green
1.13 Staff induction and CPD					
Staff are not trained in new procedures, leading to risks to health	Red	<ul style="list-style-type: none"> A revised staff handbook is issued to all staff prior to reopening. Induction and CPD programmes are in operation for all staff prior to reopening, and include: <ul style="list-style-type: none"> Infection control including hand hygiene and enhanced cleaning regime Fire safety and evacuation procedures 	N	1. Need to revise induction programme	Yellow

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating (H/M/L)
		<ul style="list-style-type: none"> • Constructive behaviour management • Safeguarding • Risk management 			
New staff are not aware of policies and procedures prior to starting at the school when it reopens		<ul style="list-style-type: none"> • Induction programmes are in place for all new staff – either online or in-school – prior to them starting. • The revised staff handbook is issued to all new staff prior to them starting. 	Y	1. Need to adapt induction into on-line format	
1.14 Free school meals					
Pupils eligible for free school meals do not continue to receive vouchers on the days that they are not in school		<ul style="list-style-type: none"> • A member of the school's administrative team is tasked with ensuring that pupils eligible for free school meals receive free meals when in school and continue to receive vouchers/school meals when not in school. 	Y	1. Established and effective process for distribution is in place	
1.15 Risk assessments					
Risks are not comprehensively assessed in every area of the school in light of COVID-19, leading to breaches of social distancing and hygiene guidance.		<ul style="list-style-type: none"> • Risk assessments are updated or undertaken before the school reopens and mitigation strategies / additional controls are put in place and communicated to staff covering: <ul style="list-style-type: none"> • Different areas of the school • When pupils enter and leave school • During movement around school • During break and lunch times • Delivering aspects of the curriculum, especially for practical subjects and especially where shared equipment is required to be used • Risk assessments are systematically revisited once school reopens 	Y	<ol style="list-style-type: none"> 1. A comprehensive risk assessment process is in place at an individual pupil level 2. Risk assessments of each learning area will be conducted during the Summer Term 	
1.16 School transport					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating (H/M/L)
Changes to bus schedules as a result of COVID-19 adversely affect pupils' attendance and punctuality and do not align with staggered start and departure times		<ul style="list-style-type: none"> The details of how pupils will travel to and from school are known prior to opening. Effective liaison with bus companies is used as a basis for planning staggered start and departure times. Parents reminded of the need to ensure social distancing and changes to drop off and pick up routines, 	Y	<ol style="list-style-type: none"> The EHT has proposed a two part day to SEND Transport division which is currently being reviewed This remains high risk as it is as yet unresolved 	
2. Investing in safety equipment and health and safety arrangements to limit the spread of COVID-19					
2.1 Cleaning					
Cleaning capacity is reduced so that an initial deep-clean and ongoing cleaning of surfaces are not undertaken to the standards required		<ul style="list-style-type: none"> A return-to-work plan for cleaning staff (including any environmental cleans) is agreed with contracting agencies prior to opening. An enhanced cleaning plan is agreed and implemented which minimises the spread of infection to include regular cleaning of all touch points and welfare areas. Working hours for cleaning staff are increased. 	Y	<ol style="list-style-type: none"> Cleaning has continued to be well managed and of high quality throughout current period New planning takes into account cleaning requirements for Autumn Term 	
2.2 Hygiene and handwashing					
Inadequate supplies of soap and hand sanitiser mean that pupils and staff do not wash their hands with sufficient frequency		<ul style="list-style-type: none"> An audit of handwashing facilities and sanitiser dispensers is undertaken before the school reopens and additional supplies are purchased if necessary. Monitoring arrangements are in place to ensure that supplies of soap, hand towels and sanitiser are maintained throughout the day. Handwashing is built in to the daily routine and is supervised by staff. Teachers should ensure they wash their hands and surfaces, before and after handling pupils' books 	Y	<ol style="list-style-type: none"> SLT will ensure adequate supplies continue 	

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating (H/M/L)
Pupils forget to wash their hands regularly and frequently		<ul style="list-style-type: none"> Staff training includes the need to remind pupils of the need to wash their hands regularly and frequently to include start of school day, after breaks and after using any shared equipment Posters and electronic messaging boards reinforce the need to wash hands regularly and frequently. School leaders monitor the extent to which handwashing is taking place on a regular and frequent basis. Pupils should be encouraged where possible not to touch their faces or to put objects in their mouths. 	Y	1. Pupils will require continuous support in this area throughout the pandemic	
2.3 Clothing/fabric					
Not wearing clean clothes each day may increase the risk of the virus spreading		<ul style="list-style-type: none"> Policies are agreed prior to the school opening on the wearing of uniforms by pupils and business dress by staff to minimise risks which may include a 'bare below the elbow' approach Expectations and guidance are communicated to parents. Uniform that cannot be machine washed should be avoided. Consider leeway for any child who has grown out of any parts of their uniform since March but whose parents cannot currently replace it. 	Y	<ol style="list-style-type: none"> MUF fund will be used to ensure all pupils have adequate uniform SLT to monitor clothing worn by pupils and staff on a daily basis 	
The use of fabric chairs may increase the risk of the virus spreading		<ul style="list-style-type: none"> Take fabric chairs out of use where possible. Where that is not possible then ensure chairs are limited to single person use. 	Y	1. Fabric chairs will be removed from any teaching area	
2.4 Testing and managing symptoms					
Testing is not used effectively to help manage staffing levels and support staff wellbeing		<ul style="list-style-type: none"> Guidance on getting tested has been published. The guidance has been explained to staff as part of the induction process. Health and Wellbeing support is available through the LA https://myzone.salford.gov.uk/people-zone/health-and-wellbeing 	Y	1. Staff have access to regular testing	

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating (H/M/L)
Infection transmission within school due to staff/pupils (or members of their household) displaying symptoms		<ul style="list-style-type: none"> Robust collection and monitoring of absence data, including tracking return to school dates, is in place. Procedures are in place to deal with any pupil or staff displaying symptoms at school. This includes the use of testing for both staff and pupils and appropriate action, in line with government guidance, should the tests prove positive or negative. Pupils, parents and staff are aware of what steps to take if they, or any member of their household, displays symptoms (no one with symptoms should attend a setting for any reason). This includes an understanding of the definitions and mitigating actions to take in relation to the terms clinically vulnerable and clinically extremely vulnerable should these apply. A record of any COVID-19 symptoms in staff or pupils is reported to the trust or local authority. 	Y	<ol style="list-style-type: none"> Isolation room has been identified – this needs to be fully equipped and usage outlined to staff System is heavily reliable on co-operation of parents and carers 	
Staff, pupils and parents are not aware of the school's procedures (including on self-isolation and testing) should anyone display symptoms of COVID-19		<ul style="list-style-type: none"> Staff, pupils and parents have received clear communications informing them of current government guidance on the actions to take should anyone display symptoms of COVID-19 and how this will be implemented in the school. This guidance has been explained to staff and pupils as part of the induction process. Any updates or changes to this guidance are communicated in a timely and effective way to all stakeholders. 	Y	<ol style="list-style-type: none"> Clear guidance will need reiterating at regular intervals 	
Staff, pupils and parents are not aware of the school's procedures should there be a confirmed case of COVID-19 in the school		<ul style="list-style-type: none"> Staff, pupils and parents have received clear communications informing them of current government guidance on confirmed cases of COVID-19 and how this will be implemented in the school. Y	<ol style="list-style-type: none"> Clear guidance will need reiterating at regular intervals 	
2.5 First Aid/Designated Safeguarding Leads					
The lack of availability of designated First Aiders and Designated Safeguarding Leads puts children's safety at risk		<ul style="list-style-type: none"> First Aid certificates extended for three months. A programme for training additional staff is in place. Collaborative arrangements for sharing staff with other schools in the locality have been agreed. All relevant staff are aware of all pupils in school with relevant health 	Y	<ol style="list-style-type: none"> Currently seven DSL trained staff. Rota planning to ensure always at least one on site

		conditions			
2.6 Medical rooms					
Medical rooms are not adequately equipped or configured to maintain infection control		<ul style="list-style-type: none"> Social distancing provisions and PPE where needed for personal care are in place for medical rooms. Additional rooms are designated for pupils with suspected COVID-19 whilst collection is arranged. Procedures are in place for medical rooms to be cleaned after suspected COVID-19 cases, along with other affected areas, including toilets. 	Y	<ol style="list-style-type: none"> Nurses room provides safe environment for procedures Medical room to be moved to Room XXX Cleaning of toilets to be reviewed 	
2.7 Communication with parents					
Parents and carers are not fully informed of the health and safety requirements for the reopening of the school		<ul style="list-style-type: none"> As part of the overall communications strategy referenced in 1.12, parents are kept up to date with information, guidance and the school's expectations on a weekly basis using a range of communication tools. A COVID-19 section on the school website is created and updated. Parent and pupil handbooks created. 	N	<ol style="list-style-type: none"> Communications established with parents. Need to be continued Website needs developing 	
Parents and carers may not fully understand their responsibilities should a child show symptoms of COVID-19		<ul style="list-style-type: none"> Key messages in line with government guidance are reinforced on a weekly basis via email, text and the school's website. 	Y	<ol style="list-style-type: none"> Communications with parents are established More signage is required 	
2.8 Personal Protective Equipment (PPE)					
Provision of PPE for staff where required is not in line with government guidelines		<ul style="list-style-type: none"> Government guidance on wearing PPE is understood, communicated and sufficient PPE has been procured. Those staff required to wear PPE have been instructed on how to put on and how to remove PPE carefully to reduce contamination and also how to dispose of them safely. Staff are reminded that wearing of gloves is not a substitute for good handwashing. 	Y	Able to source adequate PPE at the current time Staff require training for safe usage	
3. Maximising social distancing measures					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating (H/M/L)
3.1 Pupil behaviour					
Pupils' behaviour on return to school does not comply with social distancing guidance		<ul style="list-style-type: none"> • Clear messaging to pupils on the importance and reasons for social distancing is reinforced throughout the school day by staff and through posters, electronic boards, and floor markings. For young children this is done through age-appropriate methods such as stories and games. • Staff model social distancing consistently. • The movement of pupils around the school is minimised. • Large gatherings are avoided. • Break times and lunch times are staggered and structured to support social distancing and are closely supervised. • The school's behaviour policy has been revised to include compliance with social distancing and this has been communicated to staff, pupils and parents. • Senior leaders monitor areas where there are breaches of social distancing measures and arrangements are reviewed. • Messages to parents reinforce the importance of social distancing. • Arrangements for social distancing of younger primary school children have been agreed and staff are clear on expectations. • Consistently impose sanctions when rules are broken, in line with the behaviour policy, as well as positively reinforcing well-executed rules through encouragement and rewards. 	Y	<ol style="list-style-type: none"> 1. Signage throughout school 2. New guidelines to be issued to all staff 3. Break rota to be implemented 4. Social distancing /hygiene to be reinforced during lessons 5. Guidance to be published on the website and sent to those without the internet (including translated versions) 6. All leaders to monitor compliance / address inconsistencies 	
3.2 Classrooms and teaching spaces					
The size and configuration of classrooms and teaching spaces does not support compliance with social distancing measures		<ul style="list-style-type: none"> • Home base arrangements in place. • Net capacity assessment completed, with each classroom and teaching space compliant with social distancing measures and in line with government guidance (i.e. a maximum of 15 pupils per class). • All furniture etc. not in use has been removed from classrooms and teaching spaces. • Arrangements are reviewed regularly. 	N	<ol style="list-style-type: none"> 1. Surplus furniture to be removed from classrooms 	

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating (H/M/L)
3.3 Movement in corridors					
Social distancing guidance is breached when pupils circulate in corridors		<ul style="list-style-type: none"> • Circulation plans have been reviewed and amended. • One-way systems are in operation where feasible. • Corridors are divided where feasible. • Circulation routes are clearly marked with appropriate signage. • Any pinch points/bottle necks are identified and managed accordingly. • The movement of pupils around school is minimised as much as possible. • Where possible, pupils stay in classrooms and staff move around. • Lesson change overs are staggered to avoid overcrowding. • Pupils are briefed regularly regarding observing social distancing guidance whilst circulating. • Appropriate supervision levels are in place. 	N	<ol style="list-style-type: none"> 1. The planned one-way system needs to be implemented with signage – including the route around the outside of the building 2. Pinch points to be identified with spacing signage 3. Staff guidance to stipulate minimum movement around school 	
3.4 Break times					
Pupils may not observe social distancing at break times		<ul style="list-style-type: none"> • Break times are staggered. • External areas are designated for different groups. • Pupils are reminded about social distancing as break times begin. • Social distancing signage is in place around the school and in key areas including all drop off and collection points. • Supervision levels have been enhanced, especially with younger pupils, to support social distancing. 	N	<ol style="list-style-type: none"> 1. Breaks staggered with designated area where possible 2. arrival / departure staggered 	
3.5 Lunch times					
Pupils may not observe social distancing at lunch times		<ul style="list-style-type: none"> • Pupils are reminded about social distancing as lunch times begin. • Pupils wash their hands before and after eating. • Dining area layouts have been configured to ensure social distancing. • Tables and chairs have been cordoned off where this is not possible. • Floor markings are used to manage queues and enable social distancing. • Additional arrangements are in place, such as staggering lunch times, delivering grab bags to classrooms, pupils eating in classrooms or other spaces. • Guidance has been issued to parents and pupils on packed lunches (e.g. the use of disposable bags instead of lunch boxes). • Eating areas are cleaned after lunch. 	N	<ol style="list-style-type: none"> 1. Students to eat in class if onsite over dinner 2. Desks to be wiped down after eating 3. Packed lunches and parents to provide cutlery / bottled drinks 	

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Yes/No)	Further action/comments	Residual risk rating (H/M/L)
3.6 Toilets					
Queues for toilets and handwashing risk non-compliance with social distancing measures		<ul style="list-style-type: none"> • Queuing zones for toilets and hand washing have been established and are monitored. • Floor markings are in place to enable social distancing. • Pupils know that they can only use the toilet one at a time. • Pupils are encouraged to access the toilet during class/throughout the day to help avoid queues. • The toilets are cleaned frequently. • Monitoring ensures a constant supply of soap and paper towels. • Bins are emptied regularly. • Pupils are reminded regularly on how to wash hands and young children are supervised in doing so. 	N	<ol style="list-style-type: none"> 1. Signage 4. Cleaner on site throughout the day 5. Rota toilet visits where possible 	
3.7 Medical Rooms					
The configuration of medical rooms may compromise social distancing measures		<ul style="list-style-type: none"> • Social distancing provisions are in place for medical rooms. • Additional rooms are designated for pupils with suspected COVID-19 whilst collection is arranged. • Procedures are in place for medical rooms to be cleaned after suspected COVID-19 cases, along with other affected areas, including toilets. 	N	<ol style="list-style-type: none"> 1. Move meds cabinet to new room. PPE compulsory in MR 2. Safe spaces - café / sensory garden / tent? 3. Staff guidance to include alerting SLT / trace movement of symptomatic people 	
3.8 Reception area					
Groups of people gather in reception (parents, visitors, deliveries) which risks breaching social distancing guidelines		<ul style="list-style-type: none"> • Social distancing points are clearly set out, using floor markings, continuing outside where necessary. • Social distancing guidance is clearly displayed to protect reception staff (e.g. distance from person stood at reception desk). • Non-essential deliveries and visitors to school are minimised. • Arrangements are in place for segregation of visitors. • Any essential visitors asked to comply with all required control measures. • Parents should come into school buildings only when strictly necessary, by appointment, and ideally only one (unless for example, an interpreter or other support is required). • Any such meetings should take place at a safe distance (and so the use of small offices may not be suitable). 	Y	<ol style="list-style-type: none"> 1. Signage – to include 'do not touch the automatic door 2. Anti-bac in Reception 3. Visitors to be provided with masks and gloves 4. Communicate that visits are by appointment only

3.9 Arrival and departure from school					
Pupils and parents congregate at exits and entrances, making social distancing measures difficult to apply	Red	<ul style="list-style-type: none"> Start and finish times are staggered. The use of available entrances and exits is maximised. Social distancing guidelines are reinforced at entrances and exits through signage and floor/ground markings, including external drop-off and pick-up points. Weekly messages to parents stress the need for social distancing at arrival and departure times. 	N	<ol style="list-style-type: none"> Alternative entrance / exits to be identified Parent communication re guidelines sent out regularly 	Yellow
3.10 Transport					
The use of public and school transport by pupils poses risks in terms of social distancing	Yellow	<ul style="list-style-type: none"> Guidance is in place for pupils and parents on how social distancing can be observed on public and school transport. This includes advice on the use of face coverings if pupils are travelling with children other than from their own class. Discussions have been held with the relevant public transport authority and with bus companies on how social distancing measures will be applied. Settings should also consider ways to minimise use of public transport to get to and from school at peak time 	Y	<ol style="list-style-type: none"> Consider asking parents to transport one way to / from school 	Yellow
3.11 Staff areas					
The configuration of staff rooms and offices makes compliance with social distancing measures problematic	Red	<ul style="list-style-type: none"> Reconfiguration of staff rooms and offices has been undertaken prior to the school opening to allow for social distancing between staff. 	N	<ol style="list-style-type: none"> Surplus furniture to be removed from all rooms Placement of furniture to aid social distancing Signage 	Green

7.3 Contractors working on the school site					
Contractors on-site whilst school is in operation may pose a risk to social distancing and infection control		<ul style="list-style-type: none"> Ongoing works and scheduled inspections for schools (e.g. estates related) have been designated as essential work by the government and so are set to continue. An assessment has been carried out to see if any additional control measures are required to keep staff, pupils and contractors safe. Assurances have been sought from the contractors that all staff attending the setting will be in good health (symptom-free) and that contractors have procedures in place to ensure effective social distancing is maintained at all times. Alternative arrangements have been considered such as using a different entrance for contractors and organising classes so that contractors and staff/pupils are kept apart. Social distancing is being maintained throughout any such works and where this is not possible arrangements are reviewed. In addition to arrangements for COVID-19, normal contractor procedures are being applied and have been updated in light of COVID-19 (including contractor risk assessments and method statements, and contractor induction). LA or trust finance team has been consulted to identify potential savings in order to work towards a balanced budget. Additional COVID-19 related costs are under monitoring and options for reducing costs over time and as guidance changes are under review. Additional sources of income are under exploration. The school's projected financial position has been shared with governors and LA or trust. 	Y	<ol style="list-style-type: none"> Updates on additional costs incurred to be prepared and shared with Trust Finance Team Additional income sources to be investigated 	
9. Governance					
9.1 Oversight of the governing body					
Lack of governor oversight during the COVID-19 crisis leads to the school failing to meet statutory requirements.		<ul style="list-style-type: none"> The governing body continues to meet when key decisions need to be made via online platforms. The governing body agendas are structured to ensure all statutory requirements are discussed and school leaders are held to account for their implementation. The Principal's report to governors includes content and updates on how the school is continuing to meet its statutory obligations in addition to covering the school's response to COVID-19. Regular dialogue with the Chair of Governors and those governors with designated responsibilities is in place. Minutes of governing body meetings are reviewed to ensure that they accurately record governors' oversight and holding leaders to account for areas of statutory responsibility.
